

You're invited to Welcome to Medicare: 2010

ELDERinfo is the Delaware State Health Insurance Assistance Program (SHIP). A free service, ELDERinfo provides unbiased information and counseling to people covered by Medicare. ELDERinfo and the Department of Insurance host free Welcome to Medicare events throughout the state.

Why? We've found that many people who join Medicare have questions and concerns about their new, different type of health insurance. In addition, important deadlines exist for certain new benefits.

New and soon-to-be beneficiaries can meet with our professional staff and learn about Medicare benefits, supplemental insurance policies, Medicare Advantage plans and prescription drug coverage. Check our list of events below. Please call our office at 1-800-336-9500 or 302-674-7364 to register, seating for Welcome to Medicare events is limited!
